We rejoice that the war Department has Manning. That will be your chance or ending against the provisions of this Act, returned to us the 'Letcher Battery,' which was stolen by Hunter in 1864; and has been at Fortress Monroe since our late war. This Battery now stands on our grounds, as monitors to the youth of our country to remind us, that while we are basking in Hill, of Edgreombe, cuts and splits one the sunshine of peace, direful war stands hundred fence rails in one hour. He has ominously brooding at the door, and it may done this repeatedly, and we claim that he be but so small a matter comparatively, as is the champion rail splitter in the State. | the lifting of a latch, that would convert a ful nation. It may not be amiss here to allude to the history of these guns. They river, adjoining the lands of Battle Bryan and were cast from the bronze from some of the French cannon which were in the State ence in such honorable and useful crafts Armory at Richmond before the late war. as that of rail-splitting, and less ambition It has been clearly proven that this ordi-REGISTRATION.—The number of names to figure as belt-wearers in such worthless nance was not among the military stores registered in the second ward is 81, 59 of sports as pigeon shooting, billiards, base purchased by the agents of the U. S. Govball, seven-up and the like of that, the ernment during the Revolutionary war of country would be happier, healthier, weal. Beaumarchais in France; but history and thier, worthier, soberer, more honest and tradition, which is not remote, bears testiwill undoubtedly give the democrats four everything else that it should be. When mony to the fact that they were sent from wood-sawing and rail-splitting matches France as a donation probably, by King tests of luck and occasions for the waste of through the influence of Lafayette. It is money, we may begin to expect a return of the good old days.—Meantime the whole various dates, in the latter part of the land seems given over to the reign of the seventeenth century) were presented "Busted"—The Mexican Show. We sports and whisky, and the Lord only to France by the Nobles, whose names earn it was sold out in Goldsboro' under knows what the end of it will be.—Peters- were carved upon them, and who country's honor, at a time when it had been impoverished by long and sanguinary wars.

Then noting the fact, that, they were done.

ON SATURDAY THE 10TH OF APRIL Then noting the fact that they were donated to this country, through the efforts and influence of that generous champion of freedom, the young Marquis de Lafayette, we find them a third time given to the cause of freedom, by the State of Virginia in the estimable qualities both of mind and heart | early part of 1862. The metal was put in charge of the Letcher Artillery officers, with a pledge, on their part, that out of their private purses they would have it recast into light field pieces. This was done at the "Tredegar Works" in Richmond, and the result was the two 6 pounder guns which first spoke deflance to our invaders during Henry Lewis, Esq., of Pitt county, North the seven days fighting around Richmond. Carolina, and sister of Colonel Ivey F. This recalls a coincidence worth noticing. Where the French guns were first landed (at Cumberland on the Pamunsky river) was not more than twenty miles from " Malcan containing the following remarkable will be saddened when they learn that they | vern Hill," where the new 6 pounders were first brought into action, so that the sound of their brazen voices could almost be heard The Selma (Ala) Echo, speaking of Mrs. at the spot where their bronze progenitors first touched our sail. During the progress of the war, it became necessary to replace these, by guns of a heavier calibre, in order

to compete successfully with our well equipped foe; so from the liberal supply furnished by Generals McClellan, Pope, and others (who had more than they could carry away), "Napoleon" guns were selected, and the two historic pieces presented to the

officers of the Battery were taken from the regiment of Col. Gilham, another Lexington
